Educational organization tools. No legal, tax, investment, credit repair, or lending services. No funding or credit-score outcome is promised.

Choose your plan format

Use the lean plan to clarify an offer, the full plan to develop the operating model, and the funding summary to explain a specific request. Your lender or partner may require a different format.

Included file	Use
Lean_Business_Plan.txt	Concise customer, offer, sales, costs, and milestones outline
Full_Business_Plan.txt	Detailed editable prompts with assumptions and evidence
Funding_Request_Summary.txt	Amount, purpose, cash-flow support, and attachments

How to use the editable files

Open a .txt file in a text editor or paste it into Word or Google Docs. Replace bracketed prompts with real information. Save your completed plan under a new name. Remove prompts and unsupported claims before sharing.

The PDF worksheets are printable and can be annotated. They are not interactive form fields. No templates are completed lender applications.
